

MART EWS Naming Convention Changes from ACP to MART

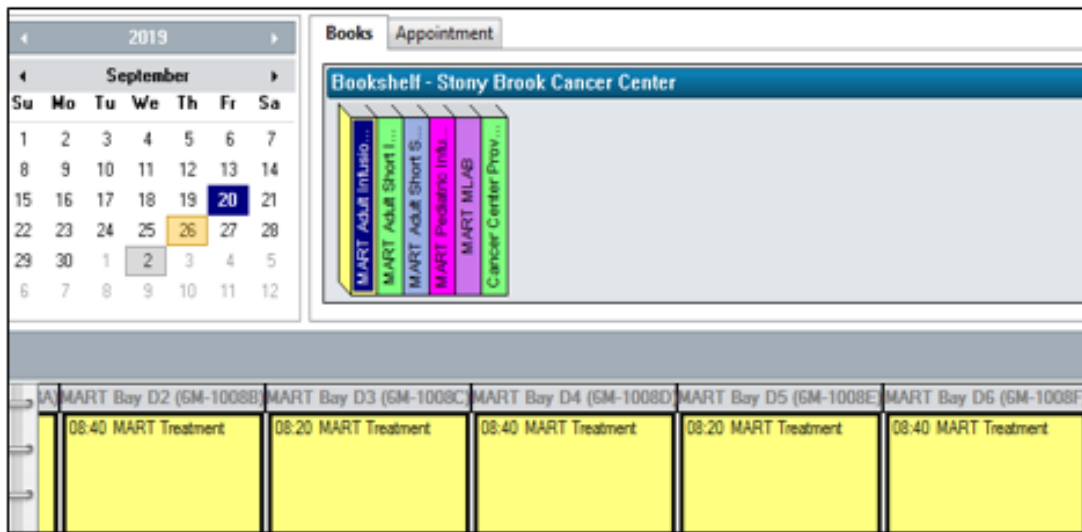

Since the floorplan/layout of the MART is different from the ACP Cancer Center, there will be several minor naming convention changes. This will be seen on the SB Cancer Center Bookshelf, appointment names, locations, Infusion chairs/bays and rooms. You will see this when scheduling appointments and ultimately on the schedules themselves.

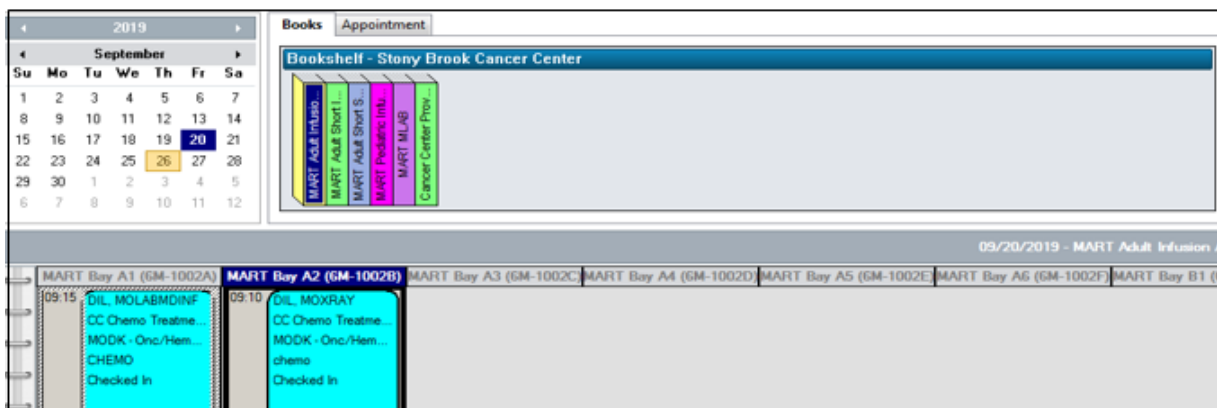

- Books will now start with 'MART' in the title.
- Infusion Chairs will be labeled as, for example, 'MART Bay A2 (6M-1008)' depending on the Bay (A – D), and the Chair number. (1 – xx).
- The new name changes will auto populate (as current process) in the location field when scheduling any type of Infusion, Lab appt etc.
