**Subject:** Physician Outreach Departmental Policy & Procedure

**Title:** Mpage/Community Physician Portal Connection Policy

---

**Effective Date:** Immediately

**Purpose:** Connecting a Community Physician Practice to a mutual patient in the “Community Physician Portal” for the purpose on continuum of care.

**Policy:** It is Stony Brook Medicine’s Department of Physician Outreach’s policy that when connecting Community Physicians and their staff, to patients in the MPage, a phone call is required by the office confirming that they have a treatment relationship to allow them access to the patient’s Medical Record. This policy was agreed upon by Physician Outreach, the Chief Information Privacy & Security Officer and the Chief Medical Information Officer.
